Kindberg is situated in the most beautiful valley along the river 'Mürz'. In the year 1232 the name 'Kindberg' was mentioned in a document for the first time. Nowadays it invites its guests to stroll as well as to shop and of course to enjoy all kinds of culinary delights in the various traditional cafés and restaurants. For those who prefer galleries, museums and sports: more than 160 different exhibitions, cultural and sporting events per year provide entertainment. There is also a romantic side of Kindberg: the idyllic baroque castle 'Oberkindberg', the historic Calvary, the legendary Celtic church on the 'Georgiberg', the famous everlasting maypole with handmade symbols of typical Austrian guilds and the enchanting old town houses.

Looking for some leisure activities? Kindberg has something for everybody! No matter if your visit here takes place in summer or in winter – you will not be bored at all. During the winter you can go skiing, ice-skating, curling, tobogganing, cross-country skiing or just go for a walk in the delightful scenery. The tennis court, the open-air swimming pool, the sports field rink are waiting for you during the summer. Still not enough? In the surrounding area of Kindberg there are gold courses, riding stables and ponds for swimming and fishing.

You can get to Kindberg by car:

S6 Semmering – Schnellstraße (expressway)

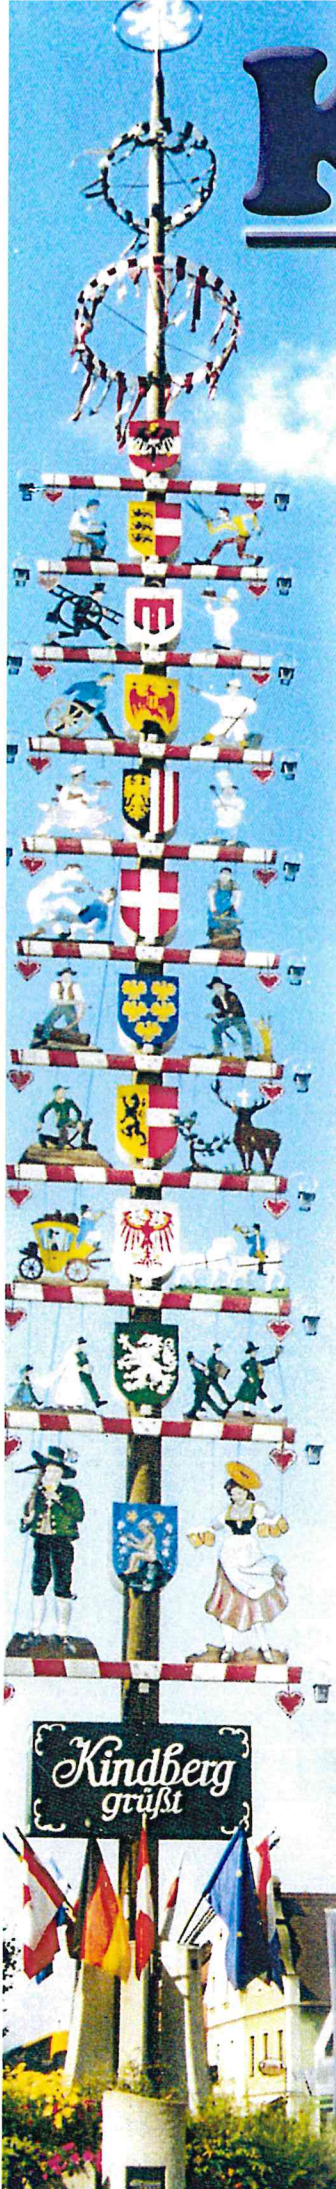

Approx. 130 km from Vienna

Approx. 70 km from Graz

Approx. 20 km from junction Bruck/Mur

You can also go there by train:

Good connection to/from Graz or Vienna several times a day.
